OSC Fetzer what do you think. Will the AM be signed in time? My glass half empty demeanor says no and hence we should plan on mobbing next Monday instead.

What do you think?

Rupert,

Per our previous discussions, we are planning on mobilizing 7 people on Jan 18. We will have to purchase an airplane ticket as well as rent several SUVs to mobilize the staff to the Site. Inorder to procure the flights and vehicles we need several days advance notice. With Jan 18 only 2 days away, I want to go ahead and make the appropriate reservations today. Can we assume we are still mobilizing on the 18th and go ahead and make the appropriate travel arrangements? Thanks,
